

1st Course		
Subject	Class	ECTS
Maths	Maths	9
Physics	Physics	9
Graphic Expression	3D Modelling and Texturing	6
	Design Fundamentals	9
IT	IT I	6
Digital Image Technology	Digital Image Technology	9
Projects	Project I	6
	Project II	6
	Total	60

2nd Course		
Subject	Class	ECTS
Audio-visual Communication	Audio-visual Communication	9
Graphic Expression	Graphic Design	9
	Visual Culture	6
Businesses	Businesses	6
Digital Image Technology	Colour management and printing systems	6
	Image processing and quality	6
Photographic Production and Visual Communication	Portrait and fashion photography	6
Projects	Projects III	6
	Projects IV	6
	Total	60

3rd Course		
Subject	Class	ECTS
Photographic Production in Science and Technology	Architectural, urban landscape and natural landscape photography	6
	Computer generated photography and imagery	9
Photographic Production and Visual Communication	Editorial and journalistic photography	6
	Industrial and commercial photography	9
Projects	Project V	6
	Project VI	6
Programming oriented towards Digital Processing	Programming oriented towards Digital Processing	6

	Total	48*
Specialisation Block	Specialisation block in artistic photography and signature photography I	6
	Specialisation block in artistic photography and signature photography II	6
	Specialisation block in artistic photography and signature photography III	6
	Specialisation block in artistic photography and signature photography IV	6
	Specialisation in artistic direction in the area of interactive publicity projects I	6
	Specialisation in artistic direction in the area of interactive publicity projects II	6
	Specialisation block in advanced audio-visual post-production I	6
	Specialisation block in advanced audio-visual post-production II	6

4th Course		
Subject	Class	ECTS
Photographic Production in Science and Technology	Techno-scientific Photography	12
Projects	Projects VII	6
	Projects VIII	6
	Projects IX	6
Final Degree Project	Final Degree Project	12
	Total	42*
Specialisation Block	Specialisation block in advanced photographic production I	6
	Specialisation block in advanced photographic production II	6

	Specialisation block in advanced photographic production III	6
